The Purchasing Department, at the request of the Vehicle Maintenance Department solicited offers from automatic transmission facilities for repairs and service of light-medium duty pick up trucks and passenger cars.

A formal solicitation (IFB#26-74MB) was issued in June of 2006. The apparent low bidder, Cottman Transmission, a nation-wide repair facility was selected as the vendor. The recommendation to approve the vendor was not submitted to the governing board.

AAMCO has provided the District a formal letter stating they will continue to honor all terms and conditions, specifications and pricing submitted by Cottman.
